

## Building Disaster-Resistant Communities Across America

### ***Project Impact* Public Service Announcement Order Form**

*Project Impact: Building Disaster Resistant Communities*, a National Association of Broadcasters (NAB) national campaign partner, is a Federal Emergency Management Agency (FEMA) initiative that is changing the way America deals with disasters. *Project Impact* released its video Public Service Announcement on June 12, 2000 at NAB's Service to America Summit. A radio version of the PSA will be available on September 20, 2000.

☐ Please send me the *Project Impact: Building Disaster Resistant Communities* Public Service Announcement so I can begin informing my community about disaster prevention.

☐ I would also like to receive the *Project Impact* video news release.

☐ I want to make my community disaster resistant. Send me additional information about becoming a *Project Impact* media partner.
